9<sup>th</sup> January 2017

Dear Parents/ Carers,

## Cycle training for Yr 5 Pupils

This year we have been offered the opportunity to offer Bikeability Level 2 training for our Year 5 pupils. The course is run by trained and professional instructors and will teach basic cycle skills and safety on the roads. It is a six week course and will be run on Friday afternoons between 1.15pm and 3.00pm starting on Friday 3<sup>rd</sup> March. The cost for the course is £12.50.

In order for the course to run, we need a minimum of 10 pupils and there is a maximum number for the group of 24 pupils. If we have more interest than places available then names will be drawn at random.

In order to establish whether or not we have enough interest to run the training I would be grateful if you could indicate on the attached slip if your child would be interested in taking part, if they are could you please return with the fully completed consent form by **Thursday 19<sup>th</sup> January**. You will then receive a letter to confirm if your child has been successful in securing a place and at that point will need to send in the payment of £12.50.

Pupils will need a roadworthy bike and a well-fitting cycle helmet in order to take part.

Yours sincerely,

Mrs C Robinson  
Headteacher
