

I am Learning Guide

By clicking on the wall calendar, the children can access the homework they have been set. It will display how long they have to do the homework as deadlines will have been set.

This clock displays both Thinking Time and Total Time. The Total being the time children have spent on the site and Thinking Time being the amount of time actually spent answering questions.

The children can use this Champions League section to see how they are getting on in relation to the rest of the children in school or even in other schools.

By clicking on the 3D Bar Chart, the children can access their records and reports about how they are progressing and how they have been using the site.

This is called the My Revision section and when children click on here they will be able to choose different exercises.

Purple: Not attempted

Red: Attempted but could do better

Orange: Attempted but could do even better

Green: Attempted and done well

Children can use this to personalize their workstation, walls and desk.

Children can click on this Photo Frame to create and edit a profile for themselves, making an animated representation of themselves.

Here children can work through different activities to determine their preferred learning style.
